The Northwest Passage - 800.732.7328 - www.nwpassage.com

Trip Highlights

Ahhh...Amalfi. Put yourself on the breathtaking waters of the Amalfi Coast, kayaking past beautiful towns and incredible landscapes. We couldn't think of a better way to tour the magical island of Capri than paddling the blue waters along the rugged coastline. We will enjoy this scenery from the water by day and Italian hospitality and delicious cuisine by night. This eight day journey will be filled with adventure, relaxation, breathtaking sites and fantastic culture. We are excited to offer our Amalfi Coast sea kayaking adventure and look forward to having you join us in "La Dolce Vita" Amalfi style!!!

Our groups will meet in Naples on the first day and travel together to the famous island of Capri. From there, we will settle into our first 4-star hotel where we will experience the culture first-hand. The following seven days will easily compare to the most wonderful days of your life as you dip your paddle into the warm, calm waters of the Amalfi Coast. Your kayak will carry you past some of the most spectacular sights in the world and your taste buds will be in cuisine heaven.

This trip is van-supported which will help make the trip more efficient so that you can enjoy this stretch of the Amalfi Coast to its fullest potential.

"Without exception, the hotels were unexpectedly glamorous. We were well treated..."

"We could not have had better food- too much on some days..."
